PRELIMINARY AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir,

Please find the preliminary amendment for the entry in national stage for the
aforementioned international application.

ABSTRACT: Proposed suggested abstract is the unchanged abstract from the
international publication that begins on page 3.

DESCRIPTION: Entered in national phase as filed in international application
(translation of WO 2005/112041 A2) and amended in order to move table 1 from the
DRAWING section to the last page of the DESCRIPTION section: hence page 9 is

modified accordingly. The amended DESCRIPTION section is provided in the pdf file US02-Desc-v1.

DRAWING: Entered in national phase as filed in international application (translation of WO 2005/112041 A2) and amended in order to move table 1 from the DRAWING section to the last page of the DESCRIPTION section: hence page 3 is modified accordingly. The amended DRAWING section is provided in the pdf file US02-Drawings-v1.

CLAIMS: Amendments to the claims submitted under Article 19 (PCT) begin on page 4. Clean text of the national stage entered claims is provided for convenience beginning on page 12.

REMARKS: Remarks begin on page 19 of this Preliminary Amendment.
